Written: May 23, 2011

## SECTION 1-- CHEMICAL PRODUCT IDENTIFICATION

**PRODUCT NAME:** Absorbine Lip Conditioner      **Formula:**  
**PRODUCT DESCRIPTION:** Cherry Flavor

**MEDICAL EMERGENCY TELEPHONE (Poison Center):**      **1-303-623-5716**  
**TRANSPORTATION EMERGENCY TELEPHONE (Chemtrec):** **1-800-424-9300**

## SECTION 2 -- COMPOSITION/INFORMATION ON INGREDIENTS (Typical Values)

The identity of individual components of this mixture are considered to be proprietary.

HAZARDOUS INGREDIENTS	CAS NO.	WT.%	ACGIH(TLV)	OSHA(PEL)
No known hazardous ingredients				

## SECTION 3 -- PHYSICAL CHARACTERISTICS

BOILING POINT:	300 Deg. C
SPECIFIC GRAVITY	N/A
VAPOR PRESSURE:	N/A
MELTING POINT	53 - 60 Deg. C
VAPOR DENSITY	N/A
EVAPORATION RATE:	N/A
SOLUBILITY IN WATER	Insolubility
APPEARANCE	Opaque - pale Yellow solid

## SECTION 4 -- FIRE AND EXPLOSION HAZARD

Flash point	(Based on melting point of product when Volatile flavors can be released)	>122 Deg. F (cc)
Flammable limits		ND
Extinguishing media		Dry Chemical, C02
Fire fighting	Do not use water -- may spread fire by dispersing product.	

<b>SECTION 5: REACTIVITY DATA</b>
-----------------------------------

Stability	Stable
Conditions to avoid	None
Incompatibility	Caustics, Inorganic acids
Hazardous polymerization	Will not occur
Hazardous decomposition products	CO, CO2 on burning

<b>SECTION 6: HEALTH HAZARD DATA</b>
--------------------------------------

All ingredients contained in this product are approved for use in a regulation of the FDA. Based on health hazard determination of contained ingredients present in a concentration of one percent or greater, this mixture may exhibit the following health hazards:

Maybe irritating to the skin and eyes  
Excessive inhalation of oil mist may affect respiratory system  
Molten was fumes may cause upper respiratory irritation and cause burns in contact with skin  
Possible nausea upon ingestion

Emergency and first aid procedures: Flush eyes with water and seek medical attention.

Carcinogenicity listing: None

<b>SECTION 7: SAFE HANDLING AND USE</b>
---

Storage and use: Do not store or use near heat or open flame.

Spill or leak procedures: Spills of this material are very slippery. Cover spills with some inert absorbent material and scoop into a container wash floors with detergent and/or soap and hot water.

Special precautions: As with all oils, some porous materials such as rags, paper, insulation, or clay may undergo spontaneous combustion when wetted with this product. Keep such materials well ventilated.

Waste disposal: Disposal must be in accordance with all local, state, and federal regulations.

<b>SECTION 8 -- CONTROL MEASURES</b>
--------------------------------------

Exposure control: Engineering controls are generally not necessary if good hygiene practices are strictly followed. Respiratory protection is generally not required under normal operations. Use face shield and protective clothing if molten.

The information contained in this material safety data sheet is accurate to the best knowledge of W.F. Young, Inc. However, the company cannot make any warranty or representation respecting the accuracy or completeness of the data and assumes no responsibility for any liability or damages relating thereto or for advising you regarding the protection of your employees, customers, or others. Users should make their own tests to determine the applicability of such information or suitability of any products for specific use.
